

INFORMATION SYSTEMS TECHNICIAN

Salary: \$3,228 - \$3,923 monthly

RECRUITMENT INFORMATION

This recruitment is being held to establish an eligibility list from which the current vacancy may be filled.

THE POSITION

Under general direction, provides technical assistance in the coordination and implementation of activities and operations involved in ensuring the accessibility, integrity and security of the City's information systems; performs a variety of complex technical duties involved in the installation, repair, replacement, and maintenance of City's information systems; administers the City's website, creates and maintains new and existing web pages; performs such other related duties as may be assigned.

In addition, the Loma Linda Connected Community Program (LLCCP) is a combination of City-funded fiber optic network infrastructure, municipal services (currently high-speed Internet, and soon phone and digital video), and building codes. With this program, Loma Linda is one of roughly 200 cities in the nation that has successfully deployed a fiber to the home/business (FTTx) network, one of only 40 cities that actually provides these services directly to residents (as opposed to through a third party such as a public utility district (PUD), or a telephone carrier such as Verizon), and the only city to include such forward-thinking specifications into building law. This position will provide technical assistance to the LLCCP.
